~~Sir~~,

Sir,

I have the honor under article 471 of the Mysore Service Regulations to submit for the orders of Government my report on an application for a superior Invalid pension of Rs 49—6—3 p. m received from the Chief Engineer of Mysore in April 1896 on behalf of V. Thondevaroya Mod^r late an overseer in the Mysore Public Works Department from which you will observe that the Madras Government have

have accepted liability to a pro-
- portionate share of the pen-
sion viz Rs 12-8-10 in their
Proceedings No 916 dated 2nd
December 1897 a copy of which
I beg to enclose, and to bring to
your notice the circumstances
under which I obtained this
consent.

- As the applicant had
put in a total combined ser-
- vice of 31 years — 0 months — 12 days and was
found ineligible to a half pen-
- sion from the Mysore Revenues
even after allowing him the
concession of reckoning 3 years
of his British service under
para 5 of the Dewan's Notifica
- tion No 98 of 31st August 1882,
I felt that it was still an
open question whether he had
incurred the penalty of altogether
forfeiting his service of 10-2-19 y-m-d

under

under the Madras Government and accordingly addressed the Accountant-General Madras basing my argument on the decision of the Government of India in the case of Mr Marchant ruled in letter No 1324/5155 of the 12th May 1886 from the Assistant to the Resident in Mysore to the Dewan of Mysore; notwithstanding previous cases of retired officers in Mysore of a similar nature having been refused to be recognized on the grounds that they had not the requisite Status under the British Government to admit the claims made on their behalf

The sanction accorded in the present case will form a

of future similar cases.

EXAMINER,
P. W. ACCOUNTS

CERTIFIED that I have carefully examined Vellore Thandavaroya Mudly
son of V. Perumalah Mudly Overseer,
in the Mysore D. P. W. His age is, by his own statement, 53 years and by appearance, about 58 years. I consider Vellore Thandavaroya Mudly to be completely and permanently incapacitated for further service of any kind, or in the department to which he belongs, in consequence of Chronic Glaucoma of both eyes. His incapacity does not appear to me to have been caused by irregular or intemperate habits.
